

# LIGHTS ON AFTER SCHOOL (LOAS)

Stedman Elementary-Session 4

April 13, 2020 – May 21, 2020

Stedman Elementary is excited to offer afterschool programming for a limited number of students. If you would like to participate please fill out the packet and return to the main office **by end of day, Tuesday, April 7. This is the first day of school after the extended break. Because clubs are scheduled to start the next Monday, NO LATE REGISTRATIONS WILL BE ACCEPTED.** Please note this is NOT first come first serve, registration is also based on behavior qualification. A note will be sent home *no later* than **Thursday, April 9** indicating if your child is in a club and which one. Also check the newsletter for a list of club participants.

In order to provide differentiated instruction, some classes may not be offered in all age groups at every session. We will do our best to provide equitable opportunities throughout the year. Please mark which classes you wish your child to attend. Please rank your preference so that we can best fit your needs. Classes run from 4:00-5:00. Students can only sign up for 1 class per session.

Your child **must** attend **both sessions** each week in order to stay in the class.

If you have any questions or concerns, please reach out to Sarah Schickel, [sschickel2@gmail.com](mailto:sschickel2@gmail.com).
