Dear Stedman School Community Members,

Thank you for your ongoing support of Stedman Students. We wanted to follow up on recent announcements that we will be naming an interim principal some time mid-year. Melissa Peterson is fully committed to leading the school until that time. Throughout the transition, we hope that you will share your perspective on what is working and what can be improved in service of students at Stedman.

Toward this end, the Near Northeast Elementary Network and Stedman Elementary are collaborating with the Office of Family and Community Engagement to gather input on our leadership transition and school improvement plans this year. Thank you in advance for taking the time to complete this survey. Your responses will be anonymous.

You have two options for completing the survey.

- 1) Please click on the link below to complete the survey:

[Español](#) Encuesta

- 2) We will also have hard copies and a private box to submit surveys in the office, beginning Monday, October 23

In our update next week, we will share information on additional opportunities for feedback including focus groups.

Thank you for your support of students and staff as we work together during this transitional period. We look forward to collaborating to ensure that student learning remains the top priority at Stedman.

Sincerely,

Lee Cooper
